TASTING NOTES

Ripe, bright tropical notes of pineapple and mango on the nose with sweet/tart apple and pear flavors. A structurally blanced wine with nice minerality to complement the enduring finish.

VINEYARDS

Ideally suited to the poor soils and harsh environment in the Appellation of Rueda, the vineyards of Verdejo are located in the west of Segovia, and are planted in very sandy soils covered with alluvial pebbles.

The stress on the vines and daily temperature flucutuations of up to 25 degrees help create the fundamental acidity that Verdejo is known for.
