100% Albariño

AGING

None

ALCOHOL

13.0%

TARTARIC ACID

6.60 g/l

pH

3.41

CLOSURE

Stelvin

TASTING NOTES

Pale gold in color, the wine has a hint of fresh lemon on the nose and a bright freshness on the palate. This vintage is crisp and fragrant with a touch of effervescence. A well balanced wine with good minerality and acidity.

VINEYARDS

Rías Baixas boasts a number of high quality grapes; chief among them is Albariño, occupying more than 90% of the D.O.'s vineyard area. The soils are largely granite, with some chalk and clay, and contain an abundance of minerals but few nutrients, making it perfect for wine-growing. Old vineyards planted in the Pégola system, traditional for this area, produce the Albariño grapes with a high level of acidity given the proximity of the Atlantic Ocean and the high level of rains. This wine will continue to develop complexity with the bottle age.
