14.5%

TARTARIC ACID

5.0 g/l

pH

3.82

TASTING NOTES

Deep purple to the edge. Gorgeous aromas of blackberries, cassis, red currant, plum, black licorice and tobacco. Integrated layers of black licorice, cherry, plum jam, toast, oak and cedar on the palate. Well balanced with supple texture and long finish.

VINEYARDS

Hand-picked grapes, from small vineyard plots with low yields, are fermented separately in small vats. The juice is transferred into French oak barrels, mainly to complete the malolactic fermentation process, and the wine spends 10 months of maturing in the oak barrels.

91 POINTS

JAMES SUCKLING.COM 

"Youthful purple color. Expressive aromas of ripe dark berries, incense, potpourri, toasty oak and cola. Lush, fleshy and alluringly sweet, offering palate-coating, oak-spices black and blue fruit and floral pastille flavors that show very good depth. Smooth and lively on the finish, where sneaky tannins shape the lingering dark fruit and spice notes."
